

## Surviving survival? Leon's unfinished poem

REVENGE does not bring back the dead.  
does not take away the suffering,  
it simply perpetuates the violence

It is difficult to get conviction~~ctions~~,  
the questionsis "not to let it happen again"

I have tri~~ed~~ed to rebuild my life,  
a new life,???

I have no children,no grandchildren to cuddle.

Have I succeeded,? I don't know,  
begin to busy with this work,  
seems to be my mission.??
